Requirement to Publish Facility Time Taken by Trade Union Officials

Employees who are union representatives of a trade union recognised by their employer are entitled to reasonable time off, during work hours and without loss of pay, to carry out union duties and undergo relevant training. Relevant public sector employers (including all types of Schools and Academies) are required to report on time taken by trade union officials representing their members or other union activities, whether this is release time internally or by contributing to pooled arrangement.

The trade union (Facility Time Publication Requirements) Regulations 2017 came into force on 1 April 2017. The regulations require relevant public sector employers to publish specified information related to facility time taken by trade union officials. The regulations can be found at:

<http://www.legislation.gov.uk/uksi/2017/328/made>

The reporting requirements apply to the public authorities set out in Schedule 1 of the Regulations, which include:

Your FTE can be found on your monthly Employee Information Report under the Download reports section of the portal (for Trusts this is available as a MAT Employee Information Report if set up has been requested) For Multi-Academy Trusts the FTE is determined at Trust level.
